

Dollars for Scholars at Vacaville Commons

Vacaville Commons is proud to announce the return of our community outreach program, Dollars for Scholars. The program awards local Vacaville area schools with prizes ranging from \$250 – \$2,000! Dollars for Scholars works by awarding participating schools points for every dollar spent at Vacaville Commons from August 1st, 2019 through May 1st, 2020.

Parents, friends and students simply credit their receipts to participating schools by dropping them off at participating drop box locations at Vacaville Commons or by submitting receipts online at www.MarketingGuru.com/Receipts.

Additional points can be earned through means that do not require any spending, such as attending special events, school spirit, and monthly bonus point options. These alternatives help to make the program beneficial for schools of all sizes. Vacaville Commons awards cash prizes at the end of the program based on total points earned throughout the school year.
